

HELP STOP INFANTICIDE!

Babies who survive attempted abortions are being left to die or sometimes killed in our country. The ***Born-Alive Abortion Survivors Protection Act*** presently proposed in the U.S. House of Representatives would prevent this from happening and provide crucial medical treatment for these babies.

House Speaker **Nancy Pelosi** (SF) has been refusing to allow a vote on this legislation. Please phone or write your representatives in the U.S. Congress and Speaker Pelosi, urging them to fully support this bill **HR619**. Also encourage them to vote for legislation to stop the practice of fetal body parts harvesting. Contact Ms. Pelosi at <http://www.speaker.gov/contact>
